FAUSTINA BONNER BOARD MEMBER MAKES HEARTFELT VISIT TO ORPHANAGE

The faces of the children at the HEAL Inc. Orphanage lit up with joy as one of its board member's Faustina, paid them a special visit during her short trip to Liberia. She took time out of her busy schedule to connect with the children and staff at the orphanage.

Warm greetings were exchanged, as Faustina felt the love from each child envelope her through their hugs, laughter, and conversations.

"It's so important for us to get out of the boardroom and see firsthand, the impact our organization is making."

TOUR

Faustina took the opportunity to tour the orphanage facilities and discuss with the caretakers the children's wellbeing.

HEAL Inc. has been invaluable to their children. The generous support from the board and other donors have allowed us to expand our educational programs and provide essential resources for our children.

FAREWELL

The visit concluded with Faustina dropping off our first-year college student on campus. She left feeling inspired by the resilience and spirit of the children; while the orphanage staff felt a surge of hope knowing they had a dedicated group of supporters by their side helping support their hopes and needs.

This heartwarming visit serves as a reminder of the power of community and the importance of giving back. It's a testament to the positive change that can be achieved when passionate individuals come together to support those in need.

“Meeting these amazing children, reminds us why we do what we do.”

- Faustina
